Green Project

Nasce per produrre oggetti di design, in legno ecosostenibile, pensati e realizzati in Italia.

100% Legno Naturale

Utilizziamo solo legno non trattato fornito esclusivamente da aziende certificate **FSC** contro la deforestazione.

Plastic Free

Inoltre a tutela dell'ambiente tutti gli oggetti e le confezioni **Green Project** sono Plastic Free.

Green Project

Created to produce sustainable, environmentally friendly wooden products, designed and made in Italy.

100% Natural Wood

We only use untreated wood, supplied exclusively by **FSC** certified companies against deforestation.

Plastic Free

In addition, to protect the environment, all Green Project products and packaging are free from plastic.

Nelle pagine del Catalogo sono presenti gli articoli standard ma siamo a disposizione per soddisfare le vostre richieste per altri formati/prodotti.

The Catalogue shows our standard production but we can produce any products to your requirements on request.
